FAQs

Q: How much does a mural cost?

A: Pricing depends on the size, complexity, materials, and location. I'll provide a custom quote after reviewing your project details.

Q: How long does it take to complete a mural?

A: Timelines vary based on the size and design but typically range from 1–3 months.

Q: Do you handle surface preparation?

A: I require clean, smooth, and primed surfaces. Prep can be arranged for an additional cost if needed.

Q: What happens if the weather delays an outdoor project?

A: Outdoor projects are scheduled with weather conditions in mind. In case of delays, we'll adjust the timeline accordingly.

Q: What materials do you use?

A: We use high-quality, durable paints designed for the surface and environment, ensuring long-lasting results.
